SELLER's acceptance of this Contract creates a binding Contract between Field and SELLER, which shall be governed by the provisions of this Contract.
- (b) This Contract integrates, merges, and supersedes any prior offers, negotiations, and agreements concerning the subject matter hereof and constitutes the entire agreement between the Parties.
- (c) Additional or differing terms or conditions proposed by SELLER or included in SELLER's acknowledgment hereof are hereby objected to by Field and have no effect unless accepted in writing by Field.

2. Applicable Laws

- (a) This Contract shall be governed by the laws of the state of Oklahoma, excluding its choice of laws rules.
- (b) SELLER agrees to comply with all applicable laws, orders, rules, regulations, and ordinances of the United States and the country where SELLER will be performing the Contract. The provisions of the *United Nations Convention on Contracts for International Sale of Goods* shall not apply to this Contract.

- (2) SELLER shall provide to Field with each delivery any Material Safety Data Sheet applicable to the Work in conformance with and containing such information as required by the Occupational Safety and Health Act of 1970 and regulations promulgated thereunder, or its state-approved counterpart.

3. Assignment and Subcontracting

Field shall have the right to make settlements and adjustments in price with SELLER without notice to the assignee.
- (b) Without Field's written consent, SELLER will not subcontract for the design, development, or procurement of any substantial portion of goods or services under this Contract. This limitation does not apply to SELLER's purchases of standard commercial supplies or raw materials.

4. Changes

- (a) Field may at any time, by written notice, and without notice to sureties or assignees, make changes within the general scope of this Contract in any one or more of the following: (i) drawings, designs, or specifications; (ii) method of shipping or packing; (iii) place of inspection, acceptance, or point of delivery; (iv) reasonable adjustments in quantities or delivery schedules or both; (v) amount of Field-furnished property; and, if this Contract includes services, (vi) description of services to be performed; (vii) quantity of services (i.e., hours to be worked); (viii) time of performance (e.g., hours of the day, days of the week); and (ix) place of performance. Changes to the delivery schedule will be subject to a price adjustment.
- (c) Any claim for an equitable adjustment by SELLER must be submitted in writing to the Field Procurement Representative within thirty (30) days from the date of notice of the change, unless the Parties agree in writing to a longer period.

- (a) SELLER shall stop Work for up to ninety (90) days in accordance with the terms of any written notice received from Field, or for such longer period of time as the Parties may agree, and shall take all reasonable steps to minimize the incurrence of costs allocable to the Work covered by this Contract during the period of Work stoppage.
- (b) Within such period, Field shall either terminate or continue the Work by written order to SELLER. In the event of a continuation, an equitable adjustment, in accordance with the principles of the **Changes** clause, shall be made to the price, delivery schedule, or other provision affected by the Work stoppage, if applicable, provided that the claim for equitable adjustment is made within thirty (30) days after such continuation.

32. Survivability

If this Contract is terminated for default or convenience, SELLER shall not be relieved of those obligations contained in this Contract for the following provisions:

- Applicable Laws
- Export Control
- Independent Contractor Relationship
- Confidentiality
- Intellectual Property
- Limitation of Liability
- Release of Information
- Warranty

33. Termination for Convenience

- (a) For specially performed Work, Field may terminate part or all of this Contract for its convenience by giving written notice to SELLER. Field's only obligation shall be to pay SELLER a percentage of the price reflecting the percentage of the Work performed prior to the notice of termination, plus reasonable charges that SELLER can demonstrate to the satisfaction of Field using generally accepted accounting principles, that have resulted from the termination. SELLER shall not be paid for any Work performed or costs incurred that reasonably could have been avoided.
- (b) In no event shall Field be liable for lost or anticipated profits, unabsorbed indirect costs or overhead, or any sum in excess of the total Contract price. SELLER's termination claim shall be submitted within ninety (90) days from the effective date of the termination.
- (c) For other than specially performed Work, Field may terminate part or all of this Contract for its convenience by giving written notice to SELLER and Field's only

obligation to SELLER shall be payment of a mutually agreed-upon restocking or service charge.

- (d) SELLER shall continue all Work not terminated.

34. Timely Performance

- (a) Time is of the essence in this Contract. SELLER's timely performance is a critical element of this Contract.
- (b) Unless advance shipment has been authorized in writing by Field, Field may store, at SELLER's expense, or return, shipping charges collect and at SELLER's risk, all Work received in advance of the scheduled delivery date.
- (c) If SELLER becomes aware of difficulty in performing the Work, SELLER shall promptly notify Field, in writing, giving pertinent details. This notification shall not change any delivery schedule.
- (d) In the event of a termination for convenience or change, no claim will be allowed for any manufacture or procurement in advance of SELLER's normal flow time unless Field has given prior written consent.

35. Waiver and Approval

- (a) Failure by Field to enforce any of the provisions of this Contract shall not be construed as a waiver of the requirements of such provisions, or as a waiver of the right of Field thereafter to enforce each and every such provision.
- (b) Field's approval of documents shall not relieve SELLER from complying with any requirements of this Contract.
- (c) The rights and remedies of Field in this Contract are in addition to any other rights and remedies provided by law or in equity.

36. Warranty

- (a) In addition to SELLER's standard warranty, SELLER warrants that all Work furnished pursuant to this Contract shall strictly conform to applicable specifications, drawings, samples, descriptions, and other requirements of this Contract and be free from defects in design, material, and workmanship. All warranties shall survive inspection, test and acceptance of, and payment for, the Work. All warranties shall run to Field and its successors, assigns, and customers. The warranty shall extend for a period of one (1) year after Field's final acceptance unless a different period is set forth elsewhere in this Contract. If any nonconformity of the Work appears within that time, SELLER shall promptly repair, replace, or re-perform the Work, at Field's option. Transportation of replacement Work, return of nonconforming Work, and repeat performance of Work shall be at SELLER's expense. Work required to be corrected or replaced shall be subject to this provision and the Inspection and Acceptance provision of this Contract in the same manner and to the same extent as Work originally delivered under this Contract. If repair, replacement, or re-performance of Work is not timely, Field may elect to return the nonconforming Work or repair, replace Work, or repro cure the Work at SELLER's expense.
- (b) SELLER further warrants that all software, firmware, and hardware (products) provided by SELLER, having date-dependent functionality containing or calling on a calendar function to process date and time data, will accurately

process the date and time data (including, but not limited to, inputting, storing, manipulating, comparing, calculating, updating, displaying, outputting, and transforming such dates and data).

- (1) In the event of a discovery of any date-dependent functionality noncompliance, the discovering party shall notify the other party within five (5) business days. At Field's option, the noncompliant products shall be repaired or replaced by SELLER within ten (10) business days of such notice at no cost to Field. The date-dependent functionality warranty shall run to Field and its successors, assigns, and customers, and shall extend indefinitely after Field's final acceptance.
- (2) Nothing in this provision shall be construed to limit any other rights under this Contract, at law or in equity that Field may have with respect to date-dependent functionality compliance.

37. Anti-Corruption Compliance

- (a) SELLER agrees that neither it nor any related person shall, in the name of, on behalf of, or for the benefit of Field or any of its officers, directors or employees, offer, pay, promise to pay, or authorize the payment of any money, or offer, give, promise to give, or authorize the giving of anything of value to anyone while knowing or being aware of a high probability that all or a portion of such money or thing of value will be offered, given or promised, directly or indirectly to such person for the purposes of: (i) influencing any act or decision; (ii) inducing such person to use his or its influence with a third party thereof to affect or influence any act or decision of such third party, in order to assist the obtaining or retaining of business for or with, or directing business to Field or (iii) securing any improper advantage.

Without limiting the generality of the foregoing, SELLER agrees that neither it nor any Related Person (as defined by the FCPA) shall, in the name of, on behalf of, or for the benefit of Seller or any of its officers, directors or employees, offer, pay, promise to pay, or authorize the payment of any money, or offer, give, promise to give, or authorize the giving of anything of value to a foreign official (as defined in the FCPA), to any foreign political party or official thereof or any candidate for foreign political office, or to any person, while knowing or being aware of a high probability that all or a portion of such money or thing of value will be offered, given or promised, directly or indirectly, to any foreign official, to any foreign political party or official thereof, or to any candidate for foreign political office, for the purposes of: (i) influencing any act or decision of such foreign official, political party, party official, or candidate in his or its official capacity, including a decision to fail to perform his or its official functions, or in the case of a foreign official, inducing him to do or omit to do any act in violation of that official's lawful duty; (ii) inducing such foreign official, political party, party official, or candidate to use his or its influence with the foreign government or instrumentality thereof to affect or influence any act or decision of such government or instrumentality, in order to assist the Parties or any other person in obtaining or retaining business for or with, or directing business to, the Parties or any other person; or (iii) securing any improper advantage.

- (c) If Buyer, in its sole discretion, determines that any items or components received from SELLER are, or may be, Suspect/Counterfeit ("Suspected Counterfeit Parts"), Buyer shall notify SELLER in writing of such determination. SELLER agrees that within ten (10) days after SELLER's receipt of such notice, SELLER shall remit to Buyer all payments previously made to SELLER for such Suspected Counterfeit Parts. Alternatively, the Buyer may elect to have the SELLER offer a replacement item in lieu of remitting all previous payments associated with Suspect/Counterfeit items.
- (d) Prior to SELLER's acquisition of any items, or components thereof, that will be included in any transaction between SELLER and Buyer, SELLER shall flow down the requirements of this Article to all entities from which it receives such items, or components thereof, and shall be fully liable to Buyer for all such entities' compliance with such requirements.
